Degree: Associate in Arts  
**Major: ASSOCIATE IN ARTS (AAA4)**  
**Emphasis: Business**  
Credit Requirements: 64 semester credit hours

This program is designed to prepare the student planning to transfer to a senior college/university in a Bachelor’s Degree Program in Business. Graduates of this program are well prepared to transfer and major in the area of business. Students should confer with the institution they plan to attend and their academic advisor for appropriate selection of courses.

While these courses are included in the Statewide Transfer Block, transfer requirements for senior colleges/universities vary. The transfer courses in this model should be regarded as suggested courses, to be selected with academic advisor to plan a specific program of study for a senior college/university. The student should consult the transfer institution to determine requirements.
