Waitlisting at HGTC:
HGTC has waitlisted courses for the semester. If a class has reached its maximum enrollment limit, you may choose to add your name to the waitlist for a course that has a waitlist. If space opens up in the course, and you are the first person on the waitlist then you will be notified via your Wavenet email of the opportunity to register for the course. Email is from the “Registrar’s Office.”

Important Details:
1. It is very important to make sure you do not have registration holds on your account. A hold would prevent you from enrolling or placing yourself on a wait list.
2. Wait lists will enforce the same registration restrictions when it comes to prerequisite or corequisite courses as regular enrollment. You must have the needed prerequisite or corequisite courses to wait list. Another waitlisted course will not count as a prerequisite or corequisite.
3. You will only be able to wait list one section of a course.
4. Fees are not assessed for waitlisted class sections. Fees are assessed only if you register for a class section.
5. Please be considerate of your fellow students. If you decide you no longer want a waitlisted section, please drop it, as you would drop an enrolled section. Thank you.

How will I be Notified of an Opening in the Class?
When a seat becomes available in a class, the first person on the wait list for that class will receive a system-generated email to their Wavenet email account from the Registrar’s Office. It is your responsibility to diligently check your waitlist status and your Wavenet email.

Students will be given 24 hours from the time a seat opens up in the course to register for the course. If you do not register for the course before the deadline, you will be dropped from the wait list and the next student on the wait list will be offered the seat. No notification of this drop will be sent.

How long will the wait lists be available?

- Spring 2015 Waitlist Dates:
  - Full-Term & Fast Forward I = October 20, 2014 – January 9, 2015, waitlist will be turned off on January 9, 2015, at 8am
  - Late Start (Flex Start) = October 20, 2014 – January 30, 2015; waitlist will be turned off on January 30, 2015, at 8am
  - Fast Forward II = October 20, 2014 – March 6, 2015; waitlist will be turned off on March 6, 2015, at 8am

All students will be purged from the waitlists. After this time you can still watch for course seat openings through Wavenet but no further email notifications will be sent out.
